

# Elna 740 eXcellence

**eXcellence, for the art lover !**

Couture isn't a minor art. It's a mode of expression in its own right, inspiring fine and original artworks.

Want to express your artist's soul ? To realize your dream and let your creativity flow ? Step up to the Elna eXcellence, an electronic sewing machine designed especially for larger projects like quilting and patchwork. The exclusive Elna excellence comes with an extra-long free arm.

Very powerfull and extremely quick, the Elna eXcellence is a smart choice for quilters and patchworkers, as well as for dressmakers, stylists and designers.
